MARKET LANDSCAPE

The \$40B+ Opportunity

India's luxury gifting market is experiencing unprecedented growth, driven by rising disposable incomes, digital adoption, and a cultural emphasis on premium gifting for celebrations and corporate relations.

AI-Powered Luxury Gifting Platform

3 Boxes Luxury aggregates premium products from India's top 8+ platforms into one seamless, AI-enhanced shopping experience. We don't just list products — we personalize, visualize, and curate the perfect gift.

Upload a selfie and see how jewelry, watches, and fashion look on you before buying

Smart recommendations based on occasion, recipient, relationship, and budget

Create custom 3-box gift hampers with curated products for a personalized touch

Best luxury products from 8+ platforms in one unified marketplace

Customer selfies with consent become social proof and authentic reviews

B2B bulk gifting solutions for companies with custom branding and dashboards
